### 15.1 Health & Safety Policy

Health and Safety forms a corner post for Tarpin Lumber.

#### *We strive to have an accident free workplace*

Tarpin Lumber as an employer is ultimately responsible for the health and safety of its' staff. As president and head coach of our team, I give you my personal promise that every reasonable precaution will be taken to provide a safe, healthy, risk-free work environment, to accomplish this objective. In doing so, we will protect our staff from injury, occupational illness and workplace violence and harassment.

Coordinators and Teams Leaders are held accountable for the Health and Safety of staff under their direction, responsible for ensuring staff comply with Occupation Health and Safety Act, safe work practices, policies and procedures established by Tarpin Lumber.

Each team member, must protect his/her own health and safety by working in compliance with the Occupational Health and Safety Act, safe work practices, policies and procedures established by Tarpin lumber. Failure to comply with this practice will result in dismissal.

Visitors and Contractors are expected to work safely and in compliance with Occupational Health and Safety Act, and applicable Tarpin Lumber policies and procedures.

We rely on our Joint Health & Safety Committee (JHSC) to assist in our journey towards this objective. All recommendations made by this committee will be acted on immediately.

We expect all Tarpin Staff to keep Health & Safety in the forefront of their thoughts, demonstrated in by acting in compliance with this policy in every activity, every day.
